

A photograph of a yacht's deck during a sunset. The sun is low on the horizon, creating a warm orange and yellow glow across the sky and the water. The yacht's white hull and dark metal railings are visible on the right side of the frame. The water shows a wake from the yacht's movement.

A photograph of a wine cellar. In the foreground, rows of wooden barrels are stacked, creating a strong sense of perspective that leads towards a large, arched opening in the background. The barrels are bound with dark straps and have small white caps. The background archway is illuminated from within, casting a warm, orange-red glow. A neon sign with the text "MOITULOVER" is mounted across the archway, glowing with a bright yellow light. The stone walls of the cellar are visible on the sides.
